OFFICIAL DIARY

Thursday, 12 July 1951

Briefing of Senator O'Mahoney has been cancelled. I have asked Colonel Hansen in the future to try to arrange all briefings so that we will receive at least three days prior notice and hold the briefings in the Director's Conference room if possible.

25X1

Checked with [redacted] on the semi-annual atomic report. This should be back with comments from the IAC Agencies this week.

25X1

Delivered [redacted] two drafts of the Marshall letter to the DDCI.

25X1

Discussed with [redacted] method of handling OPC projects.

Issued order appointing [redacted] acting Deputy Director Plans during Mr. Dulles' absence.

25X1

Gave the Director memorandum in regard to Congressman Karsten's request for a SO cable and State Department's disclosure to Karsten that we had such a cable. DCI spoke to Parke Armstrong about State disclosure. Pforzheimer will tell Karsten that CIA cannot give out classified info.

25X1

Talked to [redacted] about Atomic report.

Mr. Jackson approved TO for OCI.
